

It's What We Do

Piedmont Care is the only organization in our community 100% dedicated to providing HIV/AIDS care, prevention, and advocacy.

We serve Spartanburg, Cherokee, and Union Counties of South Carolina.

Piedmont Care, Inc. is a nonprofit 501(c) 3 organization.

Prevention

HIV is preventable. Of the federal funds going to HIV/ AIDS, only 5% are targeted for prevention.

Your financial support allows us to offer prevention programs, as well as programs that provide life saving, life-enhancing medical care and support services to people living with HIV/AIDS.

Your support helps Piedmont Care contribute to a culture that values education, awareness, compassion, and understanding – a culture that rejects fear.

HIV Testing & Counseling

Free and confidential HIV testing and counseling is available in our office, or a self test may be requested through the mail for those who meet eligibility requirements.

To see if you qualify to receive an HIV self test, visit our website at www.piedmontcare.org

To make an appointment to come in our office for testing, call:

864-582-7773

or

1-866-454-7773

Condom Distribution

Assorted condoms, lubricants, and other barriers are available for FREE at the Piedmont Care office and through more than 60 condom distribution partners.

Increasing accessibility to these prevention tools not only reduces future healthcare costs associated with HIV, sexually transmitted infections, and unintended pregnancies, but also improves health outcomes for our community.

If you would like to partner with us to get free prevention tools for your business, organization, civic club, church group or special events, please contact our Prevention Coordinator:
Loree Bishop, CSE
